- *Learn how to effectively create your own brand.*
- *Discover ways that you can increase awareness of your organization through branding.*
- *Spend hands-on time creating a brand image.*
- *Explore ways to use social media and viral marketing to maximize brand penetration.*
- *Increase your fund-raising and community awareness through better brand recognition.*

Sharon Danosky, President and Founder of Danosky & Associates, has served as Vice President of Marketing for both hospitals and human service organizations and in the process has increased visibility, referrals and revenue through effective positioning of the organizations and their brand.
